### 1.3 PURPOSE OF THE RFP

The purpose of this RFP is to select a Vendor to operate and manage food services at the IDOC's five juvenile correctional facilities located in Indiana. The Vendor's services at the facilities is to include, but is not limited to, purchasing, on-site warehousing and delivery of food supplies; preparation of meals; serving of meals, cleaning of the foods service area including production, serving line, and dining rooms; and maintaining kitchen equipment. Additionally, the Vendor will be requested to provide food service for special meetings or events held by the IDOC at an

amount not to exceed \$1,500 a year for each facility. Due to federal limitations for participation in the National School Lunch Program, the contract resulting from this RFP must be for a single year; however, the IDOC anticipates it will likely renew the contract for multiple years, and so will enter into a one year contract pursuant to this RFP with up to four (4) one year renewals allowed.

### 1.3 SUMMARY AND SCOPE OF WORK

Generally, the IDOC provides each juvenile offender a wholesome and nutritious diet within set budget allowance. Meals shall be prepared and served under strict sanitary conditions according to regulations set by the Indiana State Department of Health and the Indiana Department of Correction. The IDOC is also regulated under the American Correctional Association (ACA) standards including food service and sanitation standards, all state and federal regulations in regard to purchasing, preparing and serving food and maintaining all areas.

Each RFP Respondent will submit a plan of operation which will specifically address staffing, training, method of purchasing, food preparation, delivery service methods, quality control, and general operating procedures. Also, each RFP Respondent will submit a plan of transition services including a narrative and timeline for implementation of its plan. The current food services contract for juvenile facilities ends August 31, 2015. Respondents should therefore build their transition plans and timelines around this date.

Each RFP Respondent will submit a "Master Menu" with its proposal. Master Menus will be written to include the recommended US Dietary guidelines for Americans, Recommended Daily Allowances, and Dietary Reference Intakes and meeting the Traditional Guidelines for the National School Lunch Program and National School Breakfast Program as administered by the Indiana Department of Education. The Master Menu should also include adjustments to portions to meet caloric requirements of the 30 future soldiers embedded at Pendleton and the offenders at Camp Summit (IDOC "boot camp"). These caloric requirements are set forth within this RFP.

The IDOC will provide security in the dining rooms during the meal period. The required services are to be provided at a juvenile correctional facility operated by the IDOC, and are to be being provided to a student population comprised of juveniles who have been adjudicated delinquent and possess a range of behavioral disorders, mood disorders, anti-social behaviors, special needs, learning issues and learning disabilities. The Vendor is expected to acknowledge that it is willing to be flexible in dealing with the requirements of working in a secure, correctional environment, including acceptance of the need for enhanced security, the risk of physical or verbal assault by students, and frequent changes to the IDOC's mission, programs, budget, population, policies and procedures.

### **Current Food Services at IDOC Juvenile Correctional Facilities**

Currently, the IDOC has five (5) juvenile correctional facilities including one adjunct program at one of the facilities with a special population (Future Soldiers) currently housing 430 juvenile offenders in need of food services:

- Camp Summit Boot Camp, 2407 N 500 West, LaPorte, Indiana (maximum capacity of 95, and a current population 68);
- Logansport Correctional Facility-Intake, 729 High St., Logansport, Indiana (maximum capacity of 92, and a current population 32);
- Logansport Correctional Facility-Treatment Unit, (sometimes referred to as the “North Central Juvenile Correctional Facility”) 1118 South St. Rd. 25, Logansport, Indiana (maximum capacity of 174, and a current population 109);
- Madison Juvenile Correctional Facility 1130 MSH 4th Street, Madison, Indiana (maximum capacity of 172, and a current population 50);
- Pendleton Correctional Facility, 9310 S. State Road 67, Pendleton, Indiana (maximum capacity of 391, and a current population 168) (includes approximately 30 Future Soldiers)

With regard to the stated populations, the maximum capacity is the maximum number of offenders the facility can hold, and it is possible that one or more facilities may at some point reach this maximum, but most facilities rarely approach this threshold. The current population for all facilities is approximately 45% of the maximum capacity and the IDOC anticipates the juvenile offender population will remain static over the next several years. Having said this, the IDOC does not guarantee any particular population for any facility for purposes of this RFP.

The contract with our incumbent to provide food services to these facilities is set to expire August 31, 2015, and the IDOC requires a Vendor to continue food services from that date. The rates being charged by the current vendor are \$1.352 per meal per day at Camp Summit; \$1.280 per meal per day at Madison Correctional Facility, Pendleton Juvenile Correctional Facility, and for Future Soldiers (at Pendleton Juvenile); and \$2.222 per meal per day at Logansport Juvenile Correctional Facility—Intake, and Logansport Juvenile Correctional Facility—Treatment). The incumbent also maintains a separate contract for adult food services.

IDOC Food Services meet all rules and regulations for food service operations, which include:

1. Indiana Department of Correction Revised Administrative Procedures “The Development and Delivery of Food Service” (04-01-301)
2. Public Health Department Food Operations Regulations
3. American Correctional Association Standards
4. Indiana Department of Correction Policy and Procedure
5. Nutritional Standards set by the National Academy of Sciences
6. Medical Nutrition Standards as set by Correctional Policy
7. Joint Commission on Accreditation of Health Organizations (<http://www.jcaho.org>) a. Hospitals; b. Behavioral Health Care Accreditation

8. Centers for Medicare and Medicaid Services (<http://cms.hhs.gov>) --- Federal Regulation for Intermediate Care Facilities for Mentally Retarded
9. Joint Commission on Accreditation of Hospitals
10. Joint Commission on Accreditation on Behavioral Health Care Facilities
11. Medicaid/Medicare Hospitals
12. Federal Regulation for Intermediate Care Facilities for Mentally Retarded
13. Indiana State Board of Health Retail Food Establishment Sanitation Requirements 410 IAC 7-24.
14. Traditional Guidelines for the National School Lunch Program and National School Breakfast Program as administered by the Indiana Department of Education.

The IDOC provides for the cost of providing electricity, heat, water, or sewer, for the food services area of the facilities, but requires the current vendor to operate in an energy efficient manner, including shutting off all utilities not being used.

In Fiscal Year 2014, the IDOC was invoiced \$818,707.60 for food services for the juvenile facilities.

These figures are only an estimate and are not to be construed as an amount to be offered under this RFP. **However, when completing Minority and Women's Business Enterprises Participation Plan Form (Attachment A), the Indiana Economic Impact Form (Attachment C) and IVBE Participation Plan Form (Attachment A1) please use the total bid amount from the Cost Proposal (Attachment D).**

### 2.3.2 Respondent's Company Structure

The legal form of the Respondent's business organization, the state in which formed (accompanied by a certificate of authority), the types of business ventures in which the organization is involved, and a chart of the organization are to be included in this section. If the organization includes more than one product division, the division responsible for the development and marketing of the requested products and/or services in the United States must be described in more detail than other components of the organization.

The Sarbanes Oxley Act of 2002, H.R. 3763, is NOT directly applicable to this procurement; however, its goals and objectives may be used as a guide in the determination of corporate responsibility for financial reports.

### 2.3.5 Contract Terms/Clauses

A sample contract that the state expects to execute with the successful Respondent(s) is provided in Attachment B. This contract contains both mandatory and non-mandatory clauses. Mandatory clauses are listed below and are non-negotiable. Other clauses are highly desirable. It is the State's expectation that the final contract will be substantially similar to the sample contract provided in Attachment B.

In your Transmittal Letter please indicate acceptance of these mandatory contract terms (see section 2.2.2). In this section please review the rest of the contract and indicate your acceptance of the non-mandatory contract clauses. If a non-mandatory clause is not acceptable as worded, suggest specific alternative wording to address issues raised by the specific clause. If you require additional contract terms please include them in this section. To reiterate it's the State's strong desire to not deviate from the contract provided in the attachment and as such the State reserves the right to reject any and all of these requested changes.

The mandatory contract terms are as follows:

- Authority to Bind Contractor
- Compliance with Laws
- Drug-Free Workplace Provision and Certification
- Employment Eligibility
- Funding Cancellation
- Governing Laws
- Indemnification
- Information Technology
- Non-Discrimination Clause

### 2.3.7 Registration to do Business

#### Secretary of State

If awarded the contract, the Respondent will be required to be registered, and be in good standing, with the Secretary of State. The registration requirement is applicable to all limited liability partnerships, limited partnerships, corporations, S-corporations, nonprofit corporations and limited liability companies. The Respondent must indicate the status of registration, if applicable, in this section of the proposal.

#### Department of Administration, Procurement Division

Additionally, respondents must be registered with the IDOA. This can be accomplished on-line at <http://www.in.gov/idoa/2464.htm>.

The IDOA Procurement Division maintains two databases of vendor information. The Bidder registration database is set up for vendors to register if you are interested in selling a product or service to the State of Indiana. Respondents may register on-line at no cost to become a Bidder with the State of Indiana. To complete the on-line Bidder registration, go to <http://www.in.gov/idoa/2464.htm>. The Bidder registration offers email notification of upcoming solicitation opportunities, corresponding to the Bidder's area(s) of interest, selected during the registration process. Respondents do need to be registered to bid on and receive email notifications. Completion of the Bidder registration will result in your name being added to the Bidder's Database, for email notification. The Bidder registration requires some general business information, an indication of the types of goods and services you can offer the State of Indiana, and locations(s) within the state that you can supply or service. There is no fee to be placed in Procurement Division's Bidder Database. To receive an award, you must be registered as a bidder. Problems or questions concerning the registration process or the registration form can be e-mailed to Amey Redding, Vendor Registration Coordinator, [aredding@idoa.in.gov](mailto:aredding@idoa.in.gov), or you may reach her by phone at (317) 234-3542.

### 2.3.8 Authorizing Document

Respondent personnel signing the Transmittal Letter of the proposal must be legally authorized by the organization to commit the organization contractually. This section shall contain proof of such authority. A copy of corporate bylaws or a corporate resolution adopted by the board of directors indicating this authority will fulfill this requirement.

### 2.3.9 Subcontractors

The Respondent is responsible for the performance of any obligations that may result from this RFP, and shall not be relieved by the non-performance of any subcontractor. Any Respondent's proposal must identify all subcontractors and describe the contractual relationship between the Respondent and each subcontractor. Either a copy of the executed subcontract or a letter of agreement over the official signature of the firms involved must accompany each proposal.

Any subcontracts entered into by the Respondent must be in compliance with all State statutes, and will be subject to the provisions thereof. For each portion of the proposed products or services to be provided by a subcontractor, the technical proposal must include the identification of the functions to be provided by the subcontractor and the subcontractor's related qualifications and experience.

The combined qualifications and experience of the Respondent and any or all subcontractors will be considered in the State's evaluation. The Respondent must furnish information to the State as to the amount of the subcontract, the qualifications of the subcontractor for guaranteeing performance, and any other data that may be required by the State. All subcontracts held by the Respondent must be made available upon request for inspection and examination by appropriate State officials, and such relationships must meet with the approval of the State.

The Respondent must list any subcontractor's name, address and the state in which formed that are proposed to be used in providing the required products or services. The subcontractor's responsibilities under the proposal, anticipated dollar amount for subcontract, the subcontractor's form of organization, and an indication from the subcontractor of a willingness to carry out these responsibilities are to be included for each subcontractor. This assurance in no way relieves the Respondent of any responsibilities in responding to this RFP or in completing the commitments documented in the proposal. The Respondent must indicate which, if any, subcontractors qualify as a Minority or Women Owned Business under IC 4-13-16.5-1. See Section 1.21 and Attachment A for Minority and Women Business information.

### 2.3.10 General Information

Each Respondent must enter your company's general information including contact information.

#### 2.3.11 Experience Serving State Governments

Each Respondent is asked to please provide a brief description of your company's experience in serving state governments and/or quasi-governmental accounts.

#### 2.3.12 Experience Serving Similar Clients

Each Respondent is asked to please describe your company's experience in serving clients of a similar size to the State that also had a similar scope. Please provide specific clients and detailed examples.

#### 2.3.13 Indiana Preferences

Pursuant to IC 5-22-15-7, Respondent may claim only one (1) preference. For the purposes of this RFP, this limitation to claiming one (1) preference applies to Respondent's ability to claim eligibility for Buy Indiana points. **Respondent must clearly indicate which preference(s) they intend to claim. Additionally, the Respondent's Buy Indiana status must be finalized when the RFP response is submitted to the State.**

##### Buy Indiana

Refer to Section 2.7 for additional information.

#### 2.3.14 Payment

Respondent should be able to accept payment by credit card as an optional form of payment, but should be able to accept other forms of payment from the State as well. In the Respondent's proposal, the Respondent should agree to accept any credit card-user handling fees associated with acceptance of the State's Purchasing Card. Please demonstrate how your company will meet this requirement of accepting payment by credit card as the only form of payment if the State chooses to implement this policy.

### 2.4 TECHNICAL PROPOSAL

The Technical Proposal must be divided into the sections as described in the Technical Proposal Template attached hereto as **Attachment F**. Every specification section must be addressed in the order given. The same numbering must be used in the response. RFP language should not be repeated within the response. Where appropriate, supporting documentation may be referenced by a page and paragraph number. However, when this is done, the body of the technical proposal must contain a meaningful summary of the referenced material. The referenced document must be included as an appendix to the technical proposal with referenced sections clearly marked. If there are multiple references or multiple documents,

these must be listed and organized for ease of use by the State. **The Technical Proposal Template is Attachment F.**

#### 1.4 COST PROPOSAL

**The Cost Proposal Template is Attachment D.** The proposed cost shall be inclusive of all costs associated with the Contract. The cost shall be proposed as a cost per meal per day with three meals provided per day breakfast, lunch, and dinner, with snacks included as the part of the meal. Meals at a facility should be the same cost for each meal; however, a different cost may be proposed for each facility. An exception to this is that a different cost may be proposed for the Future Soldiers at Pendleton Juvenile Correctional Facility than for other juveniles at the Pendleton Juvenile Correctional Facility.

A \$1500 special event credit to each facility for food provided by the Contractor has been built into the Cost Proposal and will be calculated automatically into the Total Bid Amount.

Respondent must include all expenses that it anticipates for the entire contract term into the cost per meal, specifically allowing for any unexpected cost increases it may occur during that time. The rate shall not be subject to any increase based on inflation or cost of living during the contract term, and will only be increased if by written amendment to the contract as mutually agreed to by the parties. For purposes of invoicing for any contract resulting from this RFP, to calculate payments, the per capita rate shall be multiplied by the average daily population of all serviced facilities for the preceding month.

The Cost Proposal must be submitted in the original format. Any attempt to manipulate the format of the Cost Proposal document, attach caveats to pricing, or submit pricing that deviates from the current format will put your proposal at risk.

Respondents must bid on all six facilities in order for their proposal to be deemed responsive.

Cost proposals will be evaluated on the aggregate cost of all meals, represented by the Total Bid Amount listed in the Cost Proposal. For more information on cost scoring, please see RFP section 3.2.3.

Current per meal rates are as follows:

1. Camp Summit Boot Camp: \$1.352
2. Logansport Juvenile Correctional Facility-Intake: \$2.222
3. Logansport Juvenile Correctional Facility-Treatment Unit: \$2.222
4. Madison Juvenile Correctional Facility: \$1.280
5. Pendleton Juvenile Correctional Facility: \$1.280
6. Future Soldiers (at Pendleton Juvenile): \$1.280

## 2.6 INDIANA ECONOMIC IMPACT

All companies desiring to do business with state agencies must complete an “Indiana Economic Impact” form (Attachment C). The collection and recognition of the information collected with the Indiana Economic Impact form places a strong emphasis on the economic impact a project will have on Indiana and its residents regardless of where a business is located. The collection of this information does not restrict any company or firm from doing business with the state. The amount entered in Line 16 “Total amount of this proposal, bid, or current contract” should match the amount entered in the Attachment D, Cost Proposal Template.

## 2.7 BUY INDIANA INITIATIVE/INDIANA COMPANY

It is the Respondent’s responsibility to confirm its Buy Indiana status for this portion of the process. If a Respondent has previously registered its business with IDOA, go to <http://www.in.gov/idoa/2464.htm> and click on the link to update this registration. Click the tab titled Buy Indiana. Select the appropriate category for your business. Respondents may only select one category. Certify this selection by clicking the check box next to the certification paragraph. Once this is complete, save your selection and exit your account.

Respondents that have not previously registered with IDOA must go to <http://www.in.gov/idoa/2464.htm> and click on the link to register. During the registration process, follow the steps outlined in the paragraph above to certify your business’ status. The registration process should be complete at the time of proposal submission.

**Respondent must clearly indicate which preference(s) they intend to claim in the Business Proposal, Attachment E. Additionally, the Respondent’s Buy Indiana status must be finalized when the RFP response is submitted to the State.**

### **Defining an Indiana Business:**

“Indiana business” refers to any of the following:

- (1) A business whose principal place of business is located in Indiana.
- (2) A business that pays a majority of its payroll (in dollar volume) to residents of Indiana.
- (3) A business that employs Indiana residents as a majority of its employees.

Respondents claiming this status must indicate which of the provisions above qualifies them as an Indiana business. They must also fully complete the Indiana Economic Impact Form (Attachment C) and include it with their response.

The following is the policy concerning items 4 & 5 described below. Appropriate documentation must be provided with your proposal response supporting either claim made below:

- (4) A business that makes significant capital investments in Indiana.
- (5) A business that has a substantial positive economic impact on Indiana.

**Substantial Capital Investment:**

Any company that can demonstrate a minimum capital investment of \$5 million or more in plant and/or equipment or annual lease payments of \$2.5 million or more shall qualify as an Indiana business under category #4. If an out of state company does not meet one of these criteria, it can submit documentation/justification to the State for review for inclusion under this category.

**Substantial Indiana Economic Impact:**

Any company that is in the top 500 companies (adjusted) for one of the following categories: number of employees (DWD), unemployment taxes (DWD), payroll withholding taxes (DOR), or Corporate Income Taxes (DOR); it shall qualify as an Indiana business under category #5. If a Respondent needs assistance in determining if its business qualifies under this criterion, please send an email inquiry to [buyindianainvest@idoa.in.gov](mailto:buyindianainvest@idoa.in.gov) and you will receive a response within forty-eight (48) hours. If an out of state company does not meet one of these criteria, it can submit documentation/justification to the State for review for inclusion under this category.

### **SECTION THREE**

#### ***PROPOSAL EVALUATION***

##### **3.1 PROPOSAL EVALUATION PROCEDURE**

The State has selected a group of personnel to act as a proposal evaluation team. Subgroups of this team, consisting of one or more team members, will be responsible for evaluating proposals with regard to compliance with RFP requirements. All evaluation personnel will use the evaluation criteria stated in Section 3.2. The Commissioner of IDOA or their designee will, in the exercise of their sole discretion, determine which proposals offer the best means of servicing the interests of the State. The exercise of this discretion will be final.

The procedure for evaluating the proposals against the evaluation criteria will be as follows:

- 3.1.1 Each proposal will be evaluated for adherence to requirements on a pass/fail basis. Proposals that are incomplete or otherwise do not conform to proposal submission requirements may be eliminated from consideration.
- 3.1.2 Each proposal will be evaluated on the basis of the categories included in Section 3.2. A point score has been established for each category.
- 3.1.3 If technical proposals are close to equal, greater weight may be given to price.
- 3.1.4 Based on the results of this evaluation, the qualifying proposal determined to be the most advantageous to the State, taking into account all of the evaluation factors, may be selected by IDOA and Indiana Department of Correction for further action, such as contract negotiations. If, however, IDOA and Indiana Department of Correction decide that no proposal is sufficiently advantageous to the State, the State may take whatever further action is deemed necessary to fulfill its needs. If, for any reason, a proposal is selected and it is not possible to consummate a contract with the Respondent, IDOA may begin contract preparation with the next qualified Respondent or determine that no such alternate proposal exists.

##### **3.2 EVALUATION CRITERIA**

Proposals will be evaluated based upon the proven ability of the Respondent to satisfy the requirements of the RFP in a cost-effective manner. Each of the evaluation criteria categories is described below with a brief explanation of the basis for evaluation in that category. The points associated with each category are indicated following the category name (total maximum points = 108). Negative points may be assigned in the cost score. Additionally, there is an opportunity for a bonus of five points if certain criteria are met. For further information, please reference Section 3.2.3 below. If any one or more of the listed criteria on which the responses to this RFP will be evaluated are found to be inconsistent or incompatible with applicable

federal laws, regulations or policies, the specific criterion or criteria will be disregarded and the responses will be evaluated and scored without taking into account such criterion or criteria.

***Summary of Evaluation Criteria:***

<b>Criteria</b>	<b>Points</b>
1. Adherence to Mandatory Requirements	Pass/Fail
2. Management Assessment/Quality (Business and Technical Proposal)	<b>40 points</b>
3. Cost (Cost Proposal)	<b>35 points</b>
4. Indiana Economic Impact	5
5. Buy Indiana	5
6. Minority Business Enterprise Subcontractor Commitment	5 ( 1 bonus point is available, see Section 3.2.6)
7. Women Business Enterprise Subcontractor Commitment	5 ( 1 bonus point is available, see Section 3.2.6)
8. Indiana Veteran Business Enterprise (IVBE) Subcontractor Commitment	5 (1 bonus point is available, see Section 3.2.7)
<b>Total</b>	<b>100 (108 if bonus awarded)</b>

All proposals will be evaluated using the following approach.

**Step 1**

In this step proposals will be evaluated only against Criteria 1 to ensure that they adhere to Mandatory Requirements. Any proposals not meeting the Mandatory Requirements will be disqualified.

**Step 2**

The proposals that meet the Mandatory Requirements will then be scored based on Criteria 2 and 3 ONLY. This scoring will have a maximum possible score of 75 points. All proposals will be ranked on the basis of their combined scores for Criteria 2 and 3 ONLY. This ranking will be used to create a “short list”. Any proposal not making the “short list” will not be considered for any further evaluation.

Step 2 may include one or more rounds of proposal discussions, oral presentations, clarifications, demonstrations, etc focused on cost and other proposal elements. Step 2 may include a second “short list”.

### Step 3

The short-listed proposals will then be evaluated based on all the entire evaluation criteria outlined in the table above.

If the State conducts additional rounds of discussions and a BAFO round which lead to changes in either the technical or cost proposal for the short listed Respondents, their scores will be recomputed.

The section below describes the different evaluation criteria.

#### 3.2.1 Adherence to Requirements – Pass/Fail

Respondents passing this category move to Phase 2 and proposal is evaluated for Management Assessment/Quality and Price.

#### **The following 2 categories cannot exceed 75 points.**

#### 3.2.2 Management Assessment/Quality - **40** points

#### 3.2.3 Price – **35** points available

The lowest proposal will receive the full points available. All other respondents' scores will be calculated using the following formula:

$$\text{Respondent's Cost Score} = (\text{Lowest Cost Proposal} / \text{Respondent's Cost Proposal}) \times 35$$

#### 3.2.4 Indiana Economic Impact (5 points)

See Section 2.6 for additional information.

The total number of full time equivalent (FTE – please see Section 1.2 for a definition of FTE's) Indiana resident employees for the Respondent's proposal, to execute the scope of work proposed in this RFP, (prime contractor and subcontractors) will be used to evaluate the Respondent's Indiana Economic Impact. Points will be awarded based on a graduated scale. The Respondent with the most Indiana FTEs will be awarded 5 points. Points will then be awarded to the remaining Respondents proportionately. Please see Attachment C, Indiana Economic Impact Form, for more detailed instructions.

### 3.2.5 Buy Indiana Initiative – 5 points

Respondents qualifying as an Indiana Company as defined in Section 2.7 will receive 5 points in this category.

### 3.2.6 Minority (5 points) & Women's Business (5 points) Subcontractor Commitment - (10 points).

The following formula will be used to determine points to be awarded based on the MBE and WBE goals listed in Section 1.20 of this RFP. Scoring is conducted based on an assigned 10-point, plus possible 2 bonus-points, scale (MBE: Possible 5 points + 1 bonus point, WBE: Possible 5 points + 1 bonus Point). Points are assigned for respective MBE participation and WBE participation based upon the BAFO meeting or exceeding the established goals.

If the respondent's commitment percentage is less than the established MBE or WBE goal, the maximum points achieved will be awarded according to the following schedule:

%	1%	2%	3%	4%	5%	6%	7%	8%
Pts.	.625	1.25	1.875	2.5	3.125	3.75	4.375	5.0

*NOTE: Fractional percentages will be rounded up or down to the nearest whole percentage. (e.g. 7.49% will be rounded down to 7% = 4.375 pts., 7.50% will be rounded up to 8% = 5.00 pts.)*

If the respondent's commitment percentage is rounded down to 0% for MBE or WBE participation the respondent will receive 0 points.

If the respondent's commitment percentage is 0% for MBE or WBE participation, a deduction of 1 point will be discounted on the respective MBE or WBE score.

The respondent with the greatest applicable CUF participation which exceeds the stated goal for the respective MBE or WBE category will be awarded 6 points (5 points plus 1 bonus point). In cases where there is a tie for the greatest applicable CUF participation and both firms exceed the goal for the respective MBE/WBE category both firms will receive 6 points.

### 3.2.7 Indiana Veteran Business Enterprise Subcontractor Commitment - (5 points).

The following formula will be used to determine points to be awarded based on the IVBE goal listed in Section 1.22 of this RFP. Scoring is conducted based on an

assigned 5-point, plus possible 1 bonus-point, scale. Points are assigned for IVBE participation based upon the BAFO meeting or exceeding the established goals.

If the respondent's commitment percentage is less than the established IVBE goal, the maximum points achieved will be awarded according to the following schedule:

%	0%	0.6%	1.2%	1.8%	2.4%	3%
Pts.	-1	1	2	3	4	5

*NOTE: Fractional points will be awarded based upon a graduated scale between whole points. (e.g. a 0.3% commitment will receive .5 points and a 1.5% commitment will receive 2.5 points)*

If the respondent's commitment percentage is 0% for IVBE participation, a deduction of 1 point will be assessed.

The respondent with the greatest applicable CUF participation which exceeds the stated goal for the IVBE category will be awarded 6 points (5 points plus 1 bonus point). In cases where there is a tie for the greatest applicable CUF participation and both firms exceed the goal for the IVBE category both firms will receive 6 points.

The Commissioner of IDOA or their designee will, in the exercise of their sole discretion, determine which proposal(s) offer the best means of servicing the interests of the State. The exercise of this discretion will be final.
